10 videos to support migrant entrepreneurs

18 workshops in entrepreneurial mindset

9 recruitment events

6 events for employers

7 events for guidance providers

2 guides for employers and on entrepreneurship

Some of our achievements

I am happy to meet you and I learned many useful things from you. Thank you!

I just started working at ...

It was a great workshop and it had more information than I was able to process at the time.

I really learn who to start a business in Finland and I meet nice people. Thank you

We are excited to inform you as our Business Plan got granted

I am delighted to introduce my company...
